

## Feature Story Colby Barr

Colby Barr, a sophomore at Clay-Battelle, has played basketball since the second grade. He claims that his passion for the game comes from his family, who have always encouraged him. Barr says that his best game was against Hundred where he scored 33 points. Barr's favorite part of basketball is "the team" and "being a part of a family that always has your back." Barr expressed that the team is very good at working together as a team, but that they will need to continue to work on rebounds throughout this season. The best advice Barr would offer younger students who might be thinking about trying out for Varsity when they are older is, "BRING YOUR RUNNING SHOES!"

## Current Events

**This past week, the Spanish classes at Clay Battelle learned about and celebrated a traditional Hispanic holiday. The Spanish teacher, Mrs. Hatchett, brought in a special treat for her students for "Día de los Reyes Magos" or "Three Kings Day." The treat was "Rosca de Reyes" or "Three Kings Bread." The students thoroughly enjoyed their newly discovered traditional dessert with chocolate milk. The "Three Kings Bread" also includes a hidden surprise within the dessert. Some students were lucky enough to find a baby Jesus baked inside their slice of bread. Hispanic tradition claims that those who find the plastic baby Jesus in their dessert have good luck for the coming year.**

# Advice

**Dear Abby,**

I find it incredibly difficult to be in a positive mood. Even when I try to see the "good" in life, something always happens that just makes me upset again. I just want to be happy, but I'm not sure where to start.

**Sincerely, Depressed Donald**

**Dear Depressed Donald,**

There are several different things that you can try. However, you should know that it is okay to not feel happy all of the time. Exercising, spending time outdoors, socializing with friends, or doing an activity that you enjoy are all activities proven to boost your mood. Also, don't be afraid to talk to a trusted adult about how you're feeling.

**Sincerely Abby**
